

ALDYN ASHTON

Since the age of 4, **Aldyn** has chosen **horses** over baby dolls. Riding horses on her family's ranch in Lorida, FL is more than just a past time, it's **tradition**.

The 15-year-old granddaughter of Babe Ashton, Lorida, FL and Odis Cowart of Center Hill, FL, has **rodeo** in her blood. As a member of a third generation native Florida Rodeo **family**, Aldyn understands the **commitment** that goes into rodeo life. Her love for animals and **natural ability** to work and train animals has served her well as a rodeo competitor. The **winner of 9 All-Around Championship Saddles** and numerous belt buckles, Aldyn's sights are set on State and National event titles. Aldyn maintains a **4.0 GPA** academically, is a **National Jr. Honor Society** member and a J.V. Cheerleader at Sebring High School. **Her goal** is to compete in the National High School Rodeo Association, win a college scholarship, compete on a college rodeo team and eventually become a veterinarian.
