

**Keep it under your hat...**

Al's Secret Hideaway Bar offers our guests a fun way to be among the first to get into the action. Offering a selection of alcoholic and non-alcoholic beverages, it opens an hour prior to seating. A one-drink minimum per person saves you from waiting in the general admission line. Sit in air-conditioned comfort until your gang is seated by one of our characters, and since you're seated first, you get to hit the buffet earlier too.
